

Proposal for a Council Regulation establishing additional customs duties on imports of certain products originating in the United States of America

(2002/C 203 E/17)

COM(2002) 202 final — 2002/0095(ACC)

(Submitted by the Commission on 19 April 2002)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) The United States of America has imposed a safeguard measure in the form of tariff increases or tariff quotas on imports of steel products from, inter alia, the European Community as from 20 March 2002.
- (2) This measure is causing considerable injury to the Community producers concerned and disturbs the balance of concessions and obligations resulting from the WTO Agreement; the measure will significantly limit Community exports of the steel products concerned to the United States of America affecting Community exports worth at least 2 407 million euro per year.
- (3) The consultations which were held between the United States of America and the Community as envisaged in the WTO Agreement did not reach any satisfactory solution.
- (4) The WTO Agreement gives any affected exporting Member the right to suspend the application of substantially equivalent concessions or other obligations, provided the WTO Council for Trade in Goods does not disapprove.
- (5) The imposition of additional customs duties of 100 %, 30 %, 15 %, 13 % and 8 % on selected products originating in the United States of America imported each year into the Community represents the suspension of a substantially equivalent trade concessions, in that the duties collected will not exceed the amount of duties to be collected on Community exports of the products covered by the US safeguard measure, i.e. 626 million euro per year.
- (6) The suspension of substantially equivalent concessions should be applied by priority with respect to the steel sector, and to other sectors where appropriate; in

particular, the manufactured products originating in the United States of America which have been selected are those on which the Community is not substantially dependent for its supply, but on which the imposition of additional customs duties will have an impact substantially equivalent to the impact on Community exports of the safeguard measure imposed by the United States of America.

- (7) For some products designated as 'certain flat steel products' the safeguard measure adopted by the United States of America has not been taken as a result of an absolute increase in imports.
- (8) As allowed by the WTO Agreement, a part of the Community's concessions corresponding to that part of the safeguard measure that was not taken as a result of an absolute increase of imports and representing an amount of applicable duties of 377 million euro should therefore be suspended on products of particular relevance to the United States of America from 18 June 2002 until the safeguard measure imposed by the United States of America is lifted.
- (9) This Regulation is without prejudice to the question of the compatibility of the safeguard measure applied by the United States of America with the WTO Agreement; in any event, the suspension of concessions should apply in full from 20 March 2005 until the safeguard measure imposed by the United States of America is lifted; it should however apply immediately after a decision by the WTO Dispute Settlement Body that the safeguard measure imposed by the United States of America is incompatible with the WTO Agreement;
- (10) The Community provided written notice of such suspension to the Council for Trade in Goods on 17 May 2002; the Council for Trade in Goods has not disagreed with such suspension,

HAS ADOPTED THIS REGULATION:

Article 1

The customs duties applicable to selected products originating in the United States of America listed in Annex I and II shall be increased by an additional ad valorem duty of 100 %, 30 %, 15 %, 13 % or 8 % respectively, as indicated in the Annexes.

Article 2

1. This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

2. Annex I shall apply from 18 June 2002 until Annex II applies.

3. Annex II shall apply

(i) from 20 March 2005, or

(ii) from the fifth day following the date of a decision by the WTO Dispute Settlement Body that the safeguard measure imposed by the United States of America is incompatible

with the WTO Agreement, if that is earlier. In this event, the Commission shall publish in the *Official Journal of the European Communities* a notice indicating the date of the decision of the WTO Dispute Settlement Body.

4. This Regulation shall apply until the United States of America's safeguard measure is lifted. The Commission shall publish in the *Official Journal of the European Communities* a notice indicating the date on which the safeguard measure imposed by the United States of America is lifted.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
