Explanatory memorandum

The provisional arrangements for trade between Greece and the ACP States were established initially by Regulation (EEC) No 439/81 and the Decision of the Representatives of the Governments of the Member States of the ECSC of 20 January 1981 for the period 28 February to 30 April 1981. The provisions thus adopted have twice been extended and remain in force until 31 December 1981.

Two Additional Protocols to the Second ACP-EEC Convention were signed on 8 October 1981 and establish the general trade arrangements and the arrangements for ECSC products; they are to enter into force as soon as the ratification procedures have been completed.

In order to cover whatever period elapses between 1 January 1982 and the date of entry into force of the above Protocols it is proposed to extend once again Regulation (EEC) No 439/81 and the Decision of 20 January 1981.
