KOMMISSIONEN FOR DE EUROPÆISKE FÆLLESSKABER

KOM(78) 659 endelig udg.

Bruxelles, den 1. december 1978

Det internationale Energiagentur

Gennemførelsesaftale til oprettelse af en teknisk oplysningstjeneste
for omdannelse af biomasse

(Meddelelse til Rådet fra Kommissionen)

KOM(78) 659 endelig udg.

MEDDELELSE TIL RÅDET FRA KOMMISSIONEN

1. Den 24. juni og den 6. juli 1976 blev der indgået en aftale i form af en brevveksling mellem på den ene side Det europæiske Atomenergifællesskab (EURATOM) og Det europæiske økonomiske Fællesskab og på den anden side Det internationale Energiagentur (IEA) vedrørende samarbejde om energiforskning og -udvikling.

I henhold til brevvekslingen tilkendegav De europæiske Fællesskaber deres hensigt om, i hvert enkelt tilfælde, at forhandle om deltagelse i sådanne gennemførelsesaftaler ("Implementing Agreements"), udarbejdet inden for IEA, som vil bidrage til virkeliggørelse af Fællesskabets F&U-mål. IEA tog for sin del denne hensigt til efterretning og bekræftede, at en sådan deltagelse står åben for Det europæiske Fællesskab.

Under anvendelse af denne aftale er der blevet indgået:

- en gennemførelsesaftale vedrørende udveksling af teknisk information inden for forskning og udvikling vedrørende reaktorsikkerhed,
- en gennemførelsesaftale vedrørende et kooperativt forsknings- og udviklingsprogram til konstruktion af en intens neutronkilde,
- en gennemførelsesaftale vedrørende et program udvikling og afprøvning af solvarme- og solkølesystemer,
- en gennemførelsesaftale vedrørende et forsknings- og udviklingsprogram for vekselvirkningen mellem plasma og væg i "Textor",
- en gennemførelsesaftale vedrørende et forsknings- og udviklingsprogram for superledende magneter til fusionsenergi.

2. Rådet vil i det medfølgende bilag finde teksten til en ny gennemførelsesaftale bragt i forslag af IEA til Fællesskabets undertegnelse, nemlig:

Gennemførelsesaftale vedrørende oprettelse af en teknisk oplysnings-tjeneste for omdannelse af biomasse.

I aftalen fastsættes formålet med og bestemmelser for oprettelsen af oplysnings-tjenester for biomasse, som vil blive drevet af den irske stat ved National Board for Science and Technologi of Ireland. Kommissionen foreslår, at Fællesskabet deltager i finansieringen af denne tjeneste, således som det fremgår af aftalen.

3. Kommissionen anser Det europæiske økonomiske Fællesskabs deltagelse i denne gennemførelsesaftale for berettiget af følgende årsager.

Som en del af Fællesskabets F&U-program for solenergi foretages der betydningsfulde undersøgelser på kontrakt med henblik på at bestemme den mulige anvendelse af energi fra biomassekilder såsom halm og træaffald, skovbrugsmæssige planer for energiproduktion og omdannelsesteknologier. IEA-oplysnings-tjenesten for biomasse vil betyde tilvejebringelse af en central informationsindsamlingsfunktion, der ikke blot vil konstatere tilstedeværelsen verden over af tilsvarende former for forskning, men vil også for deltagerne udarbejde oversigter over og søgninger vedrørende specifikke interesseområder. En sådan tjeneste vil bistå Kommissionen med at vurdere dens eget F&U-program og vil være til betydelig hjælp for dens kontrahenter.

4. Hvad udbredelse af oplysninger og intellektuel ejendomsret angår, opstår der ikke problemer, da der ikke i aftalen er fastsat nogen udveksling af licenser. Hver kontraherende part i aftalen vil imidlertid være berettiget til at modtage og inden for deres respektive lande at udbrede kopier af alle abstrakter, bulletiner, bibliografier og litteraturoversigter, som udarbejdes af oplysnings-tjenesten..

Endvidere er det Kommissionens opfattelse og en betingelse for dens deltagelse, at den meddelte viden kan stilles til rådighed for alle interesserede statslige og ikke statslige institutioner i Det europæiske Fællesskabs medlemsstater.

5. Deltagelsens finansielle virkninger er anført i aftalen.

Projektet finansieres i fællesskab, og hver deltager skal yde et finansielt bidrag. Det foreslås, at den for driften ansvarlige (Irland) bidrager med 40% af omkostningerne, som i henhold til artikel 5 i aftalen ikke vil overstige £ 30 000 årligt. De øvrige deltagere forventes at bidrage med resten ligeligt, idet beløbet justeres hvert halvår, således at der tages hensyn til, hvor mange deltagere der er i tjenesten. Kommissionens bidrag til denne tjeneste, som ikke påregnes at overstige £ 4 000 årligt, vil blive betalt over Kommissionens F&U-budget for solenergi.

6. Det er Kommissionens opfattelse, at beføjelse til at fortælle om og indgå gennemførelsesaftalen for biomasse-oplysningstjenesten er givet Kommissionen i medfør af artikel 211 i EØF-traktaten. Som det blev angivet ved indgåelsen af gennemførelsesaftalen vedrørende et program for udvikling og afprøvning af solvarme- og solkølesystemer¹⁾, gav Kommissionen imidlertid udtryk for, at den i fremtiden, inden den undertegnede lignende aftaler inden for IEA ville orientere Rådet om sin hensigt om at undertegne en sådan aftale og tage eventuelle bemærkninger fra Rådets side til efterretning.

7. Kommissionen meddeler derfor Rådet, at den har til hensigt at undertegne gennemførelsesaftalen vedrørende oprettelse af en teknisk oplysningstjeneste for omdannelse af biomasse.

1) Rådets afgørelse af 18. juli 1977 (R/1615/77 (ATO 62)).

CONVERSION TECHNICAL
INFORMATION SERVICE

The Contracting Parties

CONSIDERING that the Contracting Parties, being either governments or international organizations or parties designated by their respective governments pursuant to Article III of the Guiding Principles for Co-operation in the Field of Energy Research and Development adopted by the Governing Board of the International Energy Agency (the "Agency") on 28th July, 1975, wish to take part in the establishment and operation of a Biomass Conversion Technical Information Service (the "Service") as provided in this Agreement;

CONSIDERING that the Contracting Parties which are governments and the governments of the other Contracting Parties (referred to collectively as the "Governments") participate in the Agency and have agreed in Article 41 of the Agreement on an International Energy Program (the "I.E.P. (f) *Co-ordination with other Information Services.* In carrying out its functions under this Agreement, the Service shall co-ordinate its activities, as necessary, with those of other services set up under the auspices of the Agency, in order to avoid duplication of these activities.

(g) *Access to Collected Information.* Information obtained by the Service in accordance with the terms of this Agreement shall be made available in conformity with Article 6 (e) and (f) below.

Article 2

THE EXECUTIVE COMMITTEE

(a) *Supervisory Control.* Control of the Service shall be vested in the Executive Committee constituted under this Article, and decisions made by the Executive Committee pursuant to this Article shall be binding on each Contracting Party and the Operating Agent.

(b) *Membership.* The Executive Committee shall consist of one member designated by each Contracting Party; each Contracting Party shall also designate an alternate member to serve on the Executive Committee in the event that its designated member is unable to do so. The Operating Agent shall inform the Contracting Parties in writing of all designations under this paragraph.

(c) *Responsibilities.* The Executive Committee shall:

- (1) Adopt for each year, acting by unanimity, the Programme of Work and Budget for the Service, together with an indicative programme of work and budget for the following two years; the Executive Committee may, as required, make adjustments within the framework of the Programme of Work and Budget;

Article 4

ADMINISTRATION AND STAFF

(a) *Administration of the Service.* The Operating Agent shall be responsible to the Executive Committee for carrying out the Service in accordance with this Agreement, the annual Programme of Work and Budget, decisions of the Executive Committee, and the regulations of the establishment at which the work is carried out.

(b) *Staff.* It shall be the responsibility of the Operating Agent to retain such staff as may be required to carry out the Service in accordance with rules determined by the Executive Committee. Such staff shall be responsible to the Operating Agent. The Operating Agent may also, as required, utilize the services of personnel employed by other Participants (or organizations or other entities designated by Contracting Parties) and made available to the Operating Agent by secondment or otherwise. Such personnel shall be remunerated by their respective employers and shall, except as provided in this Article, be subject to their employers' conditions of service. The Contracting Parties shall be entitled to claim the appropriate cost of such remuneration or to receive an appropriate credit for such cost as part of the Budget of the Task, in accordance with Article 5 (f) (6) hereof.

Article 5

FINANCE

(a) *Sharing of Costs and Estimated Costs.* The expenditure incurred in the operation of the Service for the first three years is not expected to exceed £30,000 per year at January, 1978 price levels and exchange rates, and may not exceed such levels except upon the unanimous agreement of the Executive Committee. The Executive Committee, acting by unanimity, shall adjust the figure referred to in this paragraph at half-yearly intervals to take account of changes in exchange rates and changing price levels in the country of the Operating Agent to ensure that the necessary real resources will continue to be available to operate the Service. If significant changes in such exchange rates or price levels occur, the Executive Committee, acting by unanimity, shall consider whether to adjust the Programme of Work to the available funds.

(b) *Adjustment to Contributions.* During the initial three-year period, forty per cent of the expenditure shall be borne by the Operating Agent, with the remaining expenditure to be borne in equal parts by the other Contracting Parties. After the initial three-year period, and any succeeding three-year period, the Executive Committee, acting by unanimity, shall agree upon the proportions in which expenditure incurred in the operation of the Service shall be borne by the Contracting Parties for each succeeding three-year period.

(c) *Financial Rules, Expenditures.* The Executive Committee, acting by unanimity, may make such rules and regulations as may be required for the sound financial management of the Service. These rules shall:

- (1) Establish procurement procedures to be used by the Operating Agent in making contracts or otherwise expending funds for the Service;
- (2) Establish the level of expenditure for which Executive Committee approval shall be required, including expenditure involving payment of monies to the Operating Agent for other than routine salary and administrative expenses previously approved by the Executive Committee in the budget process.

(d) *Crediting of Income to Budget.* Income accruing from the operation of the Service shall be credited to the Budget of the Service.

(e) *Accounting.* The system of accounts employed by the Operating Agent shall be in accordance with accounting principles generally accepted in the country of the Operating Agent and consistently applied.

(f) *Programme of Work and Budget, Keeping of Accounts.* Unless otherwise decided by the Executive Committee, acting by unanimity:

- (1) The financial year of the Service shall correspond to the financial year of the Operating Agent;
- (2) The Operating Agent shall each year prepare and submit to the Executive Committee for approval a draft Programme of Work and Budget, together with an indicative programme of work and budget for the following two years, not later than three months before the beginning of each financial year;
- (3) The Operating Agent shall maintain complete, separate financial records which shall clearly account for all funds and property coming into the custody or possession of the Operating Agent in connection with the Service;
- (4) Not later than three months after the close of each financial year, the Operating Agent shall submit to auditors selected by the Executive Committee for audit the annual accounts maintained for the Service in a form approved by the Executive Committee; upon completion of the annual audit, the Operating Agent shall present the accounts together with the auditors' report to the Executive Committee for approval;
- (5) All books of account and records maintained by the Operating Agent shall be preserved for at least three years from the date of termination of the Service;
- (6) Contracting Parties supplying services, materials or intellectual property to the Service shall be entitled to a credit, determined by the Executive Committee, acting by unanimity, against its contribution (or to compensation, if the value of such services, materials or intellectual property exceeds the amount of the Participant's contribution); such credits for services of staff shall be calculated on an agreed scale approved by the Executive Committee and include all payroll-related costs.

(g) *Contribution to Common Funds.* Any financial contributions due from Contracting Parties in the Service shall be paid to the Operating Agent in the currency of the country of the Operating Agent at such times and upon such other conditions as the Executive Committee, acting by unanimity, shall determine, provided however that:

- (1) Contributions received by the Operating Agent shall be used solely in accordance with the Programme of Work and Budget for the Service;
- (2) The Operating Agent shall be under no obligation to carry out any work on the Service until contributions amounting to at least fifty per cent (in cash terms) of the total due at any one time have been received.
- (3) In the first year after the signing of this Agreement, the Contracting Parties shall pay their contributions, as directed by the Executive Committee, acting by unanimity, in advance of approval of the Budget in order to enable the Operating Agent to establish the Service in accordance with this Agreement.

(h) *Ancillary Services.* Ancillary services may, as agreed between the Executive Committee and the Operating Agent, be provided by the Operating Agent for the operation of the Service, and the costs of such services, including overheads connected therewith, may be met from budgeted funds of the Service.

(i) *Taxes.* The Operating Agent shall pay all taxes and similar impositions (other than taxes on income) imposed by national or local governments and incurred by it in connection with the Service, as expenditures incurred in the operation of the Service, under the Budget; the Operating Agent shall endeavour to obtain all possible exemptions or facilitations of such taxes.

(j) *Costs other than Common Costs.* Each Contracting Party shall bear all costs of its participation in the Service other than the common costs funded by the Budget of the Service.

(k) *Audit.* Each Contracting Party shall have the right, at its sole cost, to audit the accounts of the Service on the following terms:

- (1) The Contracting Party shall provide the other Contracting Parties with an opportunity to participate in such audits on a cost-shared basis;
- (2) The accounts and records in respect of the Operating Agent's activities other than those for the Service shall be excluded from such audit, but if the Contracting Party concerned requires verification of charges to the Budget representing services rendered to the Service by the Operating Agent, it may at its own cost request and obtain an audit certificate in this respect from the Operating Agent's external auditors;
- (3) Not more than one such audit shall be required in any financial year;
- (4) Any such audit shall be carried out by not more than three representatives of the Contracting Party.

Article 6

INFORMATION

(a) *Protection of Copyrightable Material.* The Operating Agent shall take all appropriate measures necessary to protect copyrightable material generated by the Service, unless the Executive Committee otherwise directs. Such copyrightable material shall be held by the Operating Agent as a trustee for the Contracting Parties. Copyrights obtained shall be the property of the Operating Agent as a trustee for the Contracting Parties, provided, however, that the Contracting Parties may reproduce and distribute such material, but shall not distribute it with a view to profit, except as otherwise directed by the Executive Committee.

(b) *Production of Relevant Information by Contracting Parties.* Each Contracting Party agrees to provide to the Service all previously existing information and information developed independently of the Service, which is needed by the Service to carry out its functions, and which is freely at the disposal of the Contracting Party and the transmission of which is not subject to any contractual and/or legal limitations:

- (1) If no substantial cost is incurred by the Contracting Party in making such information available, at no charge to the Service therefor;
- (2) If substantial costs must be incurred by the Contracting Party in making such information available, at such charges to the Service as shall be agreed between the Operating Agent and the Contracting Party, with the approval of the Executive Committee.

(c) *Production of Relevant Information by Governments.* The Operating Agent should encourage the Governments of all Agency Participating Countries to make available or to identify to the Operating Agent all published or otherwise freely available information known to them that is relevant to the Service.

(d) *Acquisition of Information for the Service.* Each Contracting Party shall inform the Operating Agent of the existence of information that can be of value to the Service, but which is not freely at the disposal of the Contracting Party or the transmission of which is subject to contractual and/or legal limitations. The Contracting Party shall endeavour to make the information available to the Service under reasonable conditions, in which event the Executive Committee may, acting by unanimity, decide to acquire such information.

(e) *Use of Service by Contracting Parties.* The Contracting Parties shall be entitled without charge to have access to the Service's collections, to receive and (in accordance with the policies of the Service as determined by the Executive Committee) to distribute within their respective countries copies of abstract bulletins, bibliographies and literature reviews produced by the Service. Information so received by the Contracting Parties shall not be published with a view to profit, except as the Executive Committee, acting by unanimity, may agree or provide by rule. The Executive Committee shall lay down guidance as to the use any Contracting Party may make of the referral service without charge, and, where appropriate, the charges to be imposed.

(f) *Access to Products of Information Service.* Upon the request of a Contracting Party the Executive Committee shall grant such Contracting Party access to the data base of the Information Service under conditions determined by the Executive Committee.

(g) *Use of Service by Other than Contracting Parties.* The Executive Committee shall, acting by unanimity, determine the rules by which the Service may be made available to governments and other appropriate entities of countries which do not participate in the Service.

(h) *Survival of Obligations.* The obligations of paragraph (e) above shall survive the termination of this Agreement or the withdrawal of any Contracting Party or Parties. The Executive Committee shall, at the time of such termination or withdrawal, adopt appropriate measures for the subsequent application of those obligations and related questions.

Article 7

LEGAL RESPONSIBILITY AND INSURANCE

(a) *Liability of Operating Agent.* The Operating Agent shall use all reasonable skill and care in carrying out its duties under this Agreement and shall be responsible for ensuring that the Service is conducted in accordance with all applicable laws and regulations. Except as otherwise provided in this Article, the cost of all damage to property and all legal liabilities, claims, actions, costs and expenses connected therewith, shall be charged to the Budget of the Service.

(b) *Insurance.* The Operating Agent shall propose to the Executive Committee all necessary liability, fire and other insurance, and shall carry such insurance as the Executive Committee may direct. The cost of obtaining and maintaining insurance shall be charged to the Budget of the Service.

(c) *Indemnification of Contracting Parties.* The Operating Agent shall be liable, in its capacity as such, to indemnify the Contracting Parties against the cost of any damage to property and all legal liabilities, actions, claims, costs and expenses connected therewith to the extent that they:

- (1) Result from the failure of the Operating Agent to maintain such insurance as it may be required to maintain under paragraph (b) above;
or
- (2) Result from the gross negligence or wilful misconduct of any officers or employees of the Operating Agent in carrying out their duties under this Agreement.

Article 8

LEGISLATIVE PROVISIONS

(a) *Accomplishment of Formalities.* Each Contracting Party shall request the appropriate authorities of its country (or its Member States in the case of an international organization) to use their best endeavours, within the framework of applicable legislation, to facilitate the accomplishment of formalities involved in the movement of persons, the importation of materials and equipment and the transfer of currency which shall be required to operate the Service.

(b) *Applicable Laws.* The participation of each Contracting Party shall be subject to the appropriation of funds by the appropriate governmental authority, where necessary, and to the constitution, laws and regulations applicable to the respective Contracting Party, including, but not limited to, laws establishing prohibitions under the payment of commissions, percentages, brokerage or contingent fees to persons retained to solicit governmental contracts and upon any share of such contracts accruing to governmental officials.

(c) *Decisions of Agency Governing Board.* The Service shall in its operations take account, as appropriate, of the Guiding Principles for Co-operation in the Field of Energy Research and Development, and any modification thereof, as well as other decisions of the Governing Board of the Agency in that field. The termination of the Guiding Principles shall not affect this Agreement, which shall remain in force in accordance with the terms hereof.

(d) *Settlement of Disputes.* Any dispute among the Contracting Parties concerning the interpretation or the application of this Agreement which is not settled by negotiation or other agreed mode of settlement shall be referred to a tribunal of three arbitrators to be chosen by the Contracting Parties concerned who shall also choose the Chairman of the tribunal. Should the Contracting Parties concerned fail to agree upon the composition of the tribunal or the selection of its Chairman, the President of the International Court of Justice shall, at the request of any of the Contracting Parties concerned, exercise those responsibilities. In deciding any such dispute, the tribunal shall be bound by the terms of this Agreement and any applicable laws and regulations, and its decision on a question of fact shall be final and binding on the Contracting Parties. An Operating Agent which is not a Contracting Party shall be regarded as a Contracting Party for the purpose of this paragraph.

Article 9

ADMISSION AND WITHDRAWAL OF CONTRACTING PARTIES

(a) *Admission of New Contracting Parties: Agency Participating Countries.* Upon the invitation of the Executive Committee, acting by unanimity, admission to this Agreement shall be open to the government of any Agency Participating Country (or a national agency, public organization, private corporation, company or other entity

designated by such government), which signs or accedes to this Agreement and accepts the rights and obligations of a Contracting Party. Such participation shall be effective upon the signature of this Agreement by the new Contracting Party or its accession thereto and the adoption by the Executive Committee of consequential amendments to this Agreement.

(b) *Admission of New Contracting Parties: Other OECD Countries.* The government of any Member of the Organisation for Economic Co-operation and Development which does not participate in the Agency may, on the proposal of the Executive Committee, acting by unanimity, be invited by the Governing Board of the Agency to become a Contracting Party to this Agreement (or to designate a national agency, public organization, private corporation, company or other entity to do so), under the conditions stated in paragraph (a) above.

(c) *Participation by the European Communities.* The European Communities may participate in this Agreement in accordance with arrangements to be made by the Executive Committee, acting by unanimity.

(d) *Contributions.* The Executive Committee may require, as a condition to admission to participation, that the new Contracting Party shall contribute (in the form of cash, services or materials) an appropriate proportion of the expenditure of the Service prior to the date of such participation.

(e) *Replacement of Contracting Parties.* With the agreement of the Executive Committee, acting by unanimity, and upon the request of a government, a Contracting Party designated by that government may be replaced by another party. In the event of such replacement, the replacement party shall assume the rights and obligations of a Contracting Party as provided in paragraph (a) above and in accordance with the procedure provided therein.

(f) *Withdrawal.* Any Contracting Party may withdraw from this Agreement at any time with the agreement of the Executive Committee, acting by unanimity, or by giving twelve months written Notice to that effect to the Executive Director of the Agency, such Notice to be given not less than one year after the date hereof. The withdrawal of a Contracting Party under this paragraph shall not affect the rights and obligations of the other Contracting Parties, except that the proportionate shares of the Budget of the Service shall be adjusted to take account of such withdrawal.

(g) *Withdrawal of Contracting Party Serving as Operating Agent.* A Contracting Party serving as Operating Agent which withdraws from this Agreement under paragraph (f) above, shall cease to be the Operating Agent and shall account to the Executive Committee, unless the Executive Committee, acting by unanimity, agrees to retain the former Contracting Party as Operating Agent.

(h) *Changes of Status of Contracting Party.* A Contracting Party other than a government or an international organization shall forthwith notify the Executive Committee of any significant change in its status or ownership, or of its becoming bankrupt or entering into liquidation. The Executive Committee shall determine whether any such change in status or ownership or bankruptcy or liquidation of a Contracting Party significantly affects the interests of the other Contracting Parties; if the Executive Committee so determines, then, unless the Executive Committee, acting upon the unanimous decision of the other Contracting Parties, otherwise agrees:

- (1) That Contracting Party shall be deemed to have withdrawn from the Agreement under paragraph (1) above on a date to be fixed by the Executive Committee; and
- (2) The Executive Committee shall invite the government which designated that Contracting Party to designate, within a period of three months of the withdrawal of that Contracting Party, a different entity to become a Contracting Party; if approved by the Executive Committee, acting by unanimity, such entity shall become a Contracting Party with effect from the date on which it signs or accedes to this Agreement and assumes the rights and obligations of a Contracting Party.

(h) *Failure to Fulfil Contractual Obligations.* Any Contracting Party which fails to fulfil its obligations under this Agreement within sixty days after its receipt of notice specifying the nature of such failure and invoking this paragraph, may be deemed by the Executive Committee, acting by unanimity, to have withdrawn from this Agreement.

Article 10

FINAL PROVISIONS

(a) *Term of Agreement.* This Agreement shall remain in force for an initial period of three years from the date hereof, and shall continue in force thereafter unless and until the Executive Committee, acting by unanimity, decides on its termination.

(b) *Legal Relationship of Contracting Parties.* Nothing in this Agreement shall be regarded as constituting a partnership between any of the Contracting Parties.

(c) *Termination.* Upon termination of this Agreement, the Executive Committee, acting by unanimity, shall decide upon the liquidation of the assets of the Service in whole or part and any distribution which might be made to the present and former Contracting Parties. In the event of such liquidation, the Executive Committee shall, so far as practicable, distribute the assets of the Service, or the proceeds therefrom, in proportion to the contributions which the Contracting Parties have made from the beginning of the operation of the Service, and for that purpose shall take into account the contributions and any outstanding obligations of former Contracting Parties. Disputes with a former Contracting Party about the proportion allocated to it under this paragraph shall be settled under Article 8 (d) hereof, for which purpose a former Contracting Party shall be regarded as a Contracting Party.

(d) *Amendment.* This Agreement may be amended at any time by the Executive Committee, acting by unanimity. Such amendments shall come into force in a manner determined by the Executive Committee, acting under the voting rule applicable to the decision to adopt the amendment.

(c) *Deposit.* The original of this Agreement shall be deposited with the Executive Director of the Agency and a certified copy thereof shall be furnished to each Contracting Party. A copy of this Agreement shall be furnished to each Agency Participating Country, to each Member country of the Organisation for Economic Co-operation and Development and to the European Communities.
